Other Source Manga Source Film Other Other Other Other Source Manga Manga FilmFor years now, there has been speculation about Trump's tax return, which he has never claimed for years and which could potentially alter how he has used his position in a public role. It is highly possible President Trump's personal tax returns have been altered, although Trump could have done little to keep track of them.It's finally here: The official trailer for the highly anticipated remake of one of 2012's best science fiction films. Director Zack Snyder and executive producer Matthew Vaughn are bringing back Superman for a reboot based entirely on Steve Ditko's 1968 classic "Man of Steel." The movie will star Chris Pine, Henry Cavill, Amy Adams, Diane Lane, Amy Adams II, Diane Lane Jones, Jaimie Alexander, Zachary Levi, Cate Blanchett, Jesse Eisenberg, and Ben Affleck—the latter three being joined by Lex Luthor for what promises to be one of the biggest blockbuster opening weekends in DC's history..
